## DAY 1: SAFARI ADVENTURE & STARGAZING CAMP

### Arrival in Wadi Rum

Welcome to the heart of the Jordanian desert! Meet your friendly local Bedouin guide and hop aboard a rugged 4x4 for a thrilling ride through the stunning red sands.

### 4x4 Safari Tour Highlights

Let the adventure begin with jaw-dropping desert landmarks:

- Lawrence's Spring – Step into history at this legendary spring linked to T.E. Lawrence ("Lawrence of Arabia").
- Red Sand Dunes – Sandboard, race to the top, or just roll around like desert kids!
- Mushroom Rock – A quirky rock that looks like nature's own sculpture.
- Um Fruth Rock Bridge – Climb up for epic family photos with a view to remember.

### Bedouin Camp Experience

As the sun sets and the stars begin to twinkle, settle into your traditional Bedouin camp:

- Feast on a Zarb dinner – a delicious Bedouin-style BBQ cooked underground.
- Gather around the bonfire with warm Bedouin tea, live music, and stories under the vast galaxy-filled sky.

Desert magic begins here. And this is just Day 1...

## DAY 2: HIDDEN CANYONS & DESERT LIFE

### Sunrise in the Desert

- Wake up early for a silent, glowing sunrise over the dunes – a moment of peace your family won't forget.

### Morning Hike or Camel Ride (optional)

- Explore the desert like the nomads did – either on foot or atop a camel. Kids love the novelty, adults love the tranquility.

### Continue 4x4 Exploration

- Little Bridge – Another climbable natural arch, smaller but just as fun.

Khazali Canyon – Squeeze through this narrow canyon filled with ancient petroglyphs and Nabatean inscriptions.

Burdah Rock Bridge Viewpoint – For the brave, a short hike offers one of Wadi Rum's best panoramic views.

### Lunch in the Shade

Enjoy a simple, traditional meal prepared in the middle of nowhere – because the desert is the dining room.

### Relax at Camp or Explore More

Choose your own adventure: relax in the tent with mint tea or join another quick trip to a hidden viewpoint before sunset.

### Stargazing Night #2

Another round under the Milky Way – clearer, deeper, even better than the night before. Maybe catch a shooting star or two.
